Dear Parent/Caregiver

Re: Year 11 2017 Course Selection Information Evening

Year 10 students are currently looking at their course selections for Senior School. An important part of this selection process is the Year 10 Course Selection Information Evening for parents.

Significant changes to Senior Schooling have taken place over the last few years and continue into 2017; these will have a direct impact on students’ course selection and the Western Australian Certificate of Education (WACE) requirements. As such, we would urge all parents to attend the upcoming parent information session – even those parents who have been through the process before.

The details of the evening are as follows:
Where: ECU Joondalup, Building 32 (see map)
When: Tuesday 21 June - 6:20pm for a 6:30pm start
Parking: Carpark 6 or 2 as located on the map.

Students are welcome to attend with their parents.

The agenda for the evening will include information on
- WACE - What does it mean?
- What Woodvale offers – courses & programs
- Identifying an appropriate pathway – university, TAFE or work
- The processes from here

There will also be an opportunity to have specific questions answered.
I look forward to seeing you on the evening.

Yours sincerely

Mr Richards
Associate Principal Year 9 and 10
