Dear Parent/Caregiver

Re: Year 11 2015 Course Selection Information Evening

Year 10 students are currently beginning to look at their course selections for Upper School. An important part of this selection process is the Year 10 Course Selection Information Evening for parents.

Significant changes will be implemented in Upper School in 2015; these will have a direct impact on students’ course selection and the Western Australian Certificate of Education (WACE) requirements. As such, we would urge all parents to attend the upcoming parent information session – even those parents who have been through the process before.

The details of the evening are as follows:

Where: Edith Cowan University – Joondalup Campus – Building 32 – please see map attached

When: Tuesday 24 June - 6:20pm for a 6:30pm start

Parking: Carpark No. 2 – Joondalup Drive

Students are welcome to attend with their parents.

The agenda for the evening will include information on the new WACE requirements, university and state training provider (formerly TAFE) entrance requirements, INSTEP and Vocational Education and Training programs, course offerings for 2015 and course selection processes. There will also be an opportunity to have specific questions answered.

I look forward to seeing you on the evening.

Yours Sincerely

Kristy Watson
