

Free Positive Parenting Seminar

Woodvale Secondary College is pleased to present Teen Triple P Seminar 1 – Raising Responsible Teenagers. This seminar will be run by fully trained facilitators and provides essential skills and strategies in dealing with today's teenagers. It contains high quality evidence-based practice which is supported by both the Education Department and the Health Department. We will cover the six key ingredients for raising responsible teenagers: **family decision making, respect and consideration, family activities, developing a healthy lifestyle, reliability and assertiveness.**
