

SEQTA Engage – Login Guide

SEQTA Engage is the parental version of the College's information system, allowing parents to login to view a variety of resources including: Student timetables, Course and lesson information, School documents (these will no longer be posted to the College website), Student daily notices and On-line messages from teachers.

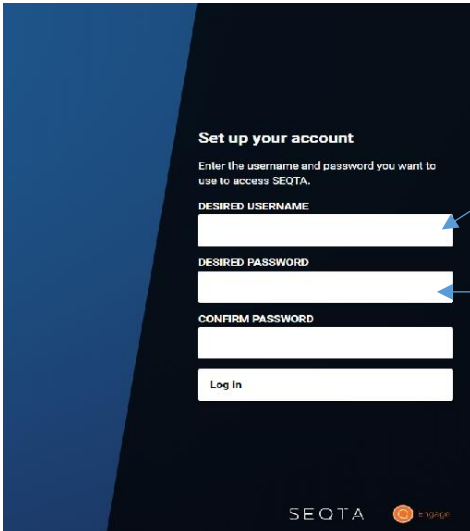

(Please note: Student marks and attendance will still only be viewable in Connect for 2020)

Parents/carers will receive an email with the subject heading “**Welcome to SEQTA Engage**” or “Reset your SEQTA Engage Password” requesting that you click on a link. (check your Junk/SPAM mail box if you have not received one).

COMPLETE THE ACTIVATION OF YOUR ACCOUNT ON A COMPUTER OR SIMILAR

[Click on SETUP YOUR ACCOUNT NOW](#)

This will take you to the school's SEQTA sign in page.

Enter your user name.
It is recommended you use your email address for this so that you do not forget it!

Choose your desired “Password” and then confirm this by typing it again.
Strong passwords are long and involve a mix of characters including letters and numbers.

You should now be logged in! Once you have set up your account on your computer, you can then download the **SEQTA Engage App** if you wish to have access on your mobile app.

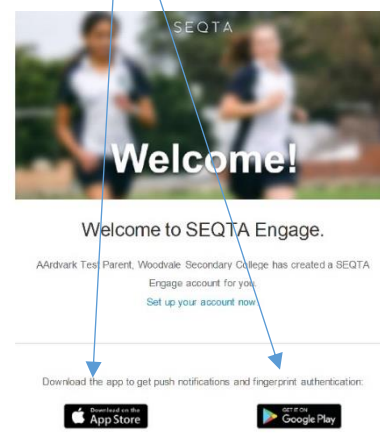

After downloading the app you will need to add your **account** to the App. There are two methods:

1. Manual setup - use this address

<https://parent.woodvale.wa.edu.au>

2. I have a Code –

Re-open the Welcome Email on your computer/portable device and using your phone app scan the QR code at the bottom of the Welcome Email.

The opening Welcome page on SEQTA will be populated with the latest news and links to important documents.

Already got the app?

If you've got the app installed, scan this code (or tap the image on your device) to login straight away.
